

CHROMEBOOK INFORMATION

Attention Families!

All 3rd - 12th grade students have the opportunity to receive a Dell Chromebook as the district issued device. Secondary students are allowed to take the devices home during their enrollment at Northwest ISD and students in 3rd - 5th grade store the devices in their classroom. Northwest ISD has joined over half of the K-12 market in the US that is currently using Chromebooks as their primary learning device.

The operating system is designed to create a secure experience for our students. This device exceeds the Northwest ISD Student Device Standards and we are excited about the opportunities this creates for our learners. Please visit the NISD Chromebook Academy and the 1:World Youtube Chromebook channel for more information.

CHROME BOOKS WILL START BEING DISTRIBUTED WEDNESDAY, AUGUST 31; HOWEVER, BEFORE YOUR STUDENT RECEIVES THEIR DEVICE - YOU MUST FILL OUT THE APPROPRIATE FORMS AND SUBMIT THE REQUIRED PAYMENTS.

PLEASE CLICK ON NORTHWEST STUDENT DEVICE PAGE TO REVIEW THIS INFORMATION AND ACCESS THE PERMISSION AND FEES LINKS.
